

STEM CLUB

Kadriye GÜVEN

English Teacher

This international eTwinning project is designed for students from 06 to 11 years old and is implemented during the school year 2016/2017.

The partner schools are from; **United Kingdom, Italy, Ireland, Spain, Poland, Romania, Portugal and Turkey.**

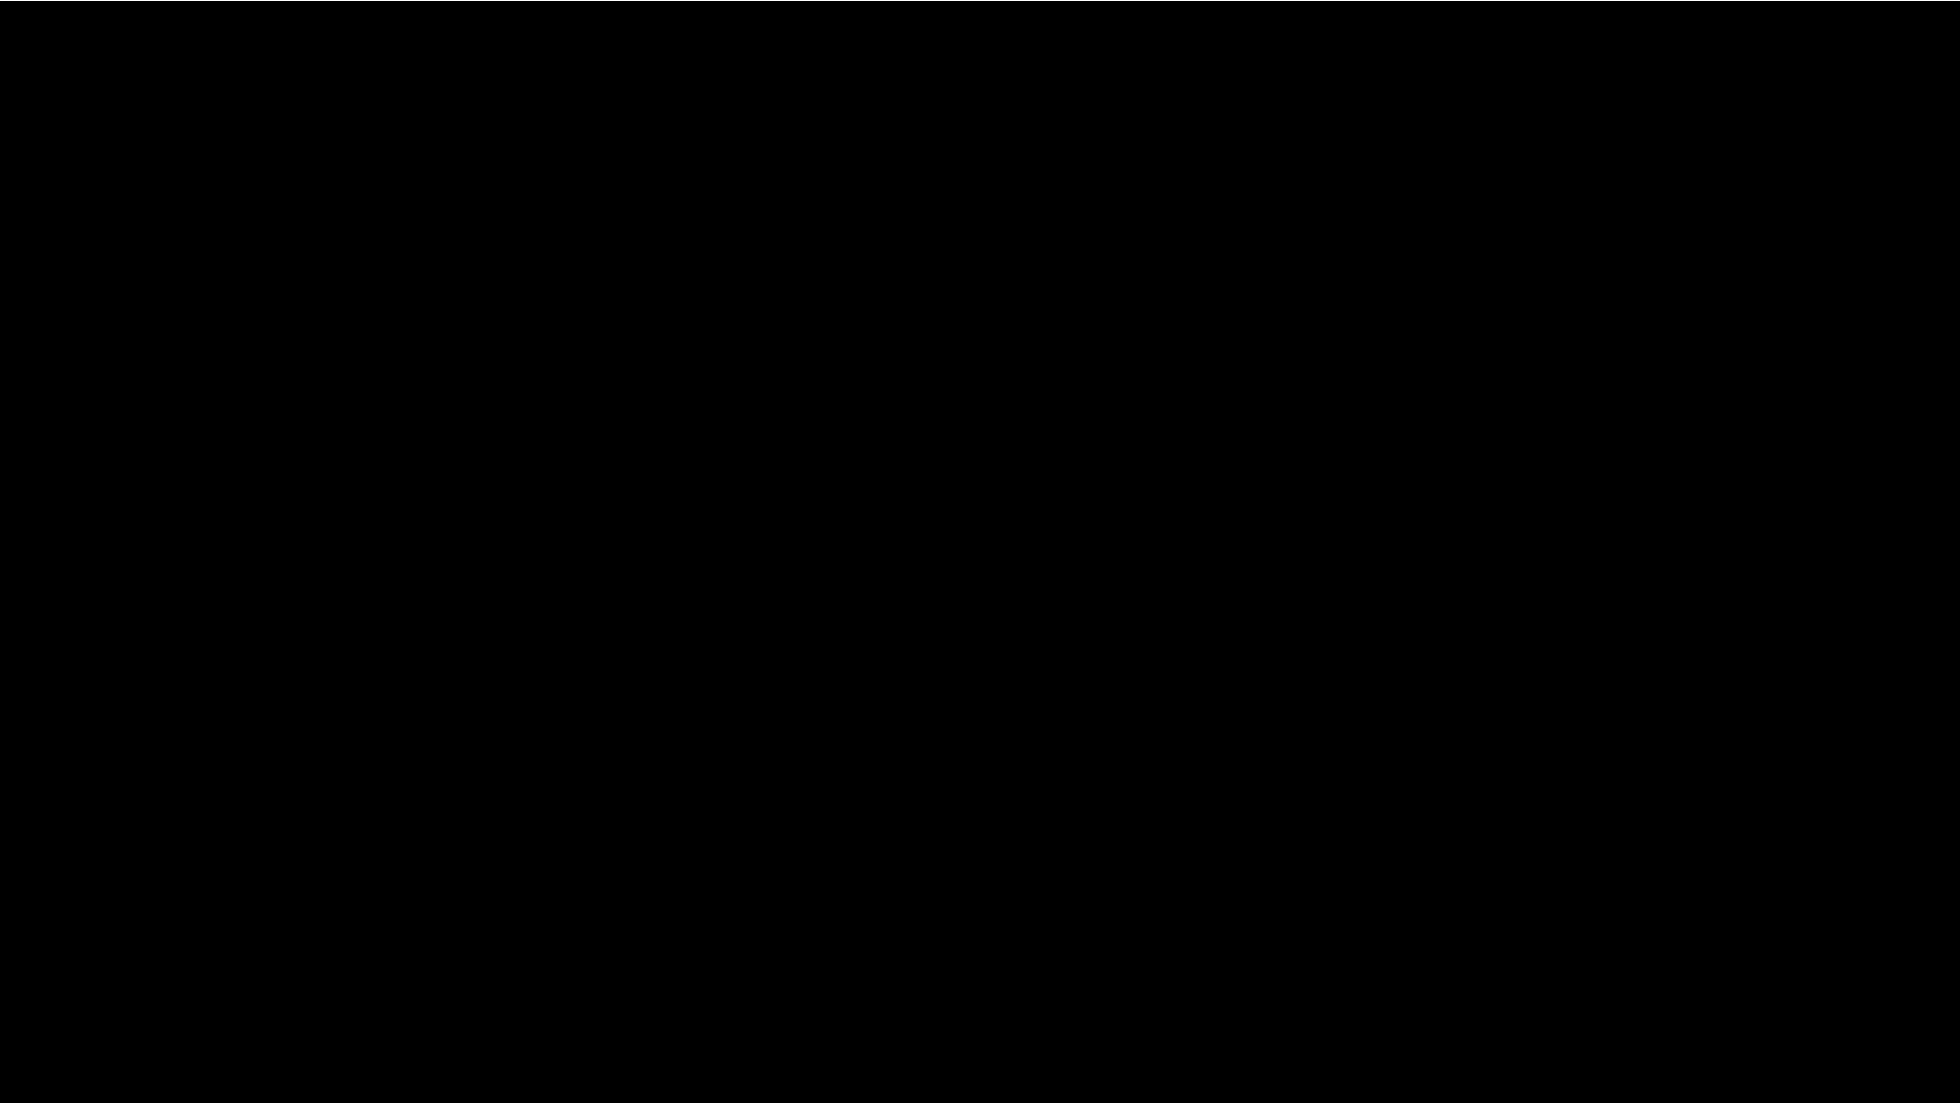

WHAT IS
'STEM' ????

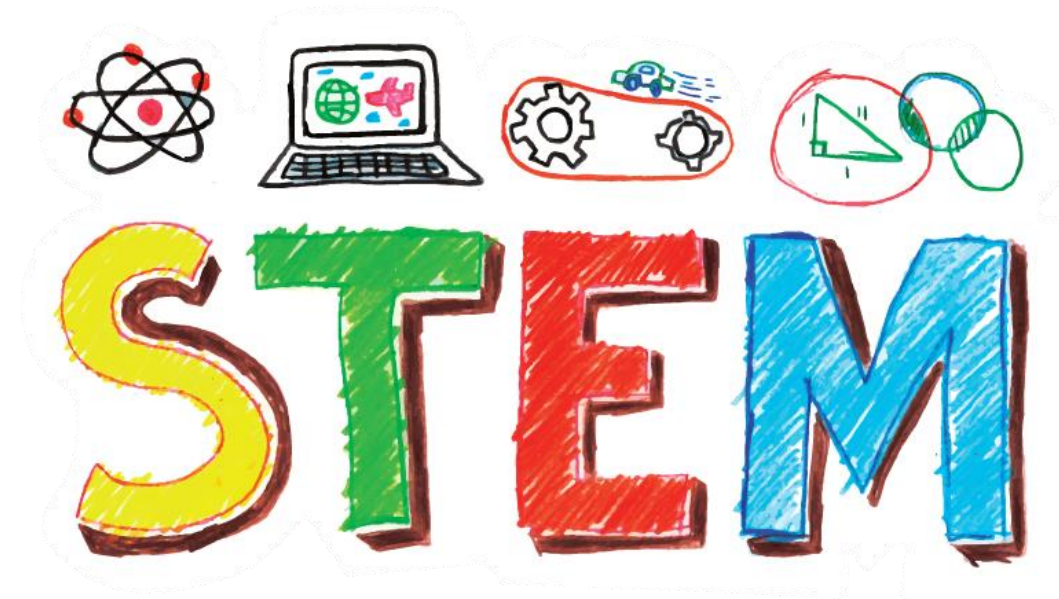

**Don't feel sad guys
Come ON!**

I think now you
feel better😊

Our project focuses mainly on the introductory level **STEM** activities

1st activity; Fall Stem

2nd activity; Europe codeweek 2016

500 STUDENTS in my school attended
Europe Code Week

3rd activity; Planting Seeds In The Classroom

4th activity; New Year Activities And Online Parties

5th activity; Augmented Reality

6th activity; Stem Experiments Bank

7th activity;

Web 2.0 Tools Bank

We created a ‘**padlet**’ and all the project partners shared their web 2.0 tools that they used in the project and also everyone shared their favourite web 2.0 tools for using in the future.

Here they are;

- ✓ POSTERMYWALL
- ✓ VIVAVIDEO
- ✓ MYIDOL
- ✓ QUIVER
- ✓ PADLET
- ✓ AURASMA
- ✓ SLIDE SHARE
- ✓ WORDLE
- ✓ WEEBLY
- ✓ ANIMATO

AT THE END OF THE PROJECT:

a) Partners had the opportunity to get to know each other's culture better

b) interacted with European peers, shared and developed ideas

c)improved their communicative and team-work skills with ICT apps

d)took initiatives and increased motivation in school activities

e)increased student STEM ability, engagement, participation and aspiration

f)increasing teacher capacity and STEM teaching quality

g)supported STEM education opportunities

WE were 20 teachers who worked in collaboration
