HOMEPAGE

- ✓ The cover of the project
- ✓ « Latest updates » of the project.
« User » mode : comment/like - public ; « System » mode : new elements added to the TwinSpace – only members
- ✓ Teacher Bulletin. Space for communication among teachers only.
- ✓ Administrators / Founders can edit the settings of the TwinSpace (title, description, theme, profile picture)
- ✓ Join the chat room and organise Live event

MEMBERS

The screenshot shows the 'Members' section of the eTwinning TwinSpace interface. At the top, there is a navigation bar with the eTwinning logo, the text 'eTwinning TwinSpace', and a search bar. Below the navigation bar are several menu items: HOME, PAGES, MATERIALS, FORUM, ONLINE MEETINGS, and MEMBERS. The main content area displays statistics for the project: 106 Teachers, 110 students, 1 guests, and 2 online. There is a 'Join the chat room' button and a 'Contact' button. A search bar is also present. The page is titled 'Members' with a question mark icon.

- ✓ Invite your pupils to join the project / TwinSpace.
- ✓ Invite the guests (external members of the project like : parents, headmaster...).
- ✓ Export the list of invited pupils (just ID – not passwords)
- ✓ **Attention!** : to invite teachers in a project (eTwinning and non eTwinning) → differences

MATERIALS

- ✓ In this part you can post images, videos and documents related to your projects.
- ✓ Add an image, video or document, either drag an image into the images section or click on the button to select from your desktop/device.

Files

- ✓ You can use albums to create a collection which you can later add to a page to form a gallery.
- ✓ Folder is a place to store and organize your files.

Add Images

You will see two main sections.

Albums/Folders and images/files, to add an image, either drag an image into the images section or click on the button to select from your desktop/device.

You can create your own folder to arrange your works.

PAGES

✓ Pages allow you to promote and make the results of your projects visible online.

TwinSpace workshops

TwinSpace workshop 1 - session 1

Date : Friday 19 April

Time : 9h30 - 11h00

Room :

TwinSpace workshop 2 - session 1

Date : Friday 19 April

Time : 11h30 - 13h00

Room :

Speakers :

- Coşku Aker, ALPER GUNBAYRAM ORTAOKULU, eTwinning ambassador, Turkey
- Anthony Riou, National Support Service (NSS), France

Half of the total group will attend the TwinSpace workshop 1, and the other half will attend the TwinSpace workshop 2, in parallel with the Web 2.0 tools workshops that will take place during the same periods.

On this page, you will find the slide that was used during the workshop as well as the task sheet that will be given to you.

✓ In the pages section users can create new pages by clicking on the button on the left bar.

Create a page

The screenshot shows a dialog box titled "Create a page" with a close button in the top right corner. Inside the dialog, there is a text input field containing "İzmir Workshop". Below the input field is a dropdown menu labeled "Add as subpage of" with a downward arrow. At the bottom of the dialog, there are two buttons: "Submit" (in teal) and "Cancel" (in grey).

- ✓ When a new page is created and named ,users can add different features.

Create a Twinboard

The screenshot shows the eTwinning TwinSpace interface. At the top, there is a navigation bar with the Erasmus+ logo, the user's name 'IZMIR MULTILATERAL CONTACT SE...', the language 'English', and a 'Logout' button. Below this is the eTwinning TwinSpace logo and a navigation menu with links for HOME, PAGES, MATERIALS, FORUM, ONLINE MEETINGS, and MEMBERS. The main content area shows a 'Back to page' link and a sidebar with options like 'Pages', 'Archive', and 'Create a page'. The central focus is the 'Izmir Workshop' page editor, which includes a form to 'Add item' with fields for 'Title' and 'Description', and radio buttons for content types: Text only (selected), Image, File, Video, and URL. There are 'Save' and 'Cancel' buttons, and a 'Create a discussion' button at the bottom.

You can post items in the form of videos, pictures, text, files.

You can also add a poll to the page with customised questions and answers.

Enable Sorting

Izmir Workshop

Enable sorting

Order of the works can be changeable by clicking enable sorting. You can reorder them in order to increase your works visibility.

The screenshot shows a workshop page titled "Izmir Workshop". At the top left, there is a checkbox labeled "Enable sorting" which is checked and circled in red. A red arrow points from this checkbox to a text box that says "Order of the works can be changeable by clicking enable sorting. You can reorder them in order to increase your works visibility." Below this, there are three green rectangular content blocks. The first block contains a white icon of a classroom with a teacher and students. The second block contains a white icon of a bar chart. The third block contains three white icons: a picture, a video camera, and a document. At the bottom of the page, there is a blue button that says "Create a discussion".

Elements in a page can be moved in the “edit” mode by clicking on “enable sorting”, and then dragging elements in the page.
